Shine On Harvest Moon

Shine on harvest moon for me and my gal.

The night was mighty dark so you could hardly see. The moon refused to shine. Couples sitting underneath the willow tree.

For love they pined. Little maid was kind-a'fraid of 2
darkness, so she said, "I guess I'll go." Boy began to sigh,

looked up at the sky, told the moon his little tale of woe. Snow time

ain't no time to stay out doors and spoo oon, so shine on, shine on harvest
